

PRACTICE SHARE SEATTLE RETREAT REGISTRATION FORM

Welcome to the Second Annual Practice Share Seattle Retreat! We look forward to having you in attendance. **If you are a clinic owner and have associates in your clinic interested in ownership, please invite them.** Prepare yourself for a wonderful weekend of personal and professional growth. Our Retreat is designed to encourage group participation, engage in our roundtable environment, and connect with your colleagues on a deeper level. We will be providing lodging and meals for Friday evening through Sunday afternoon. Friday's introductory gathering will be light finger food and your favorite beverage. Attendee lodging (maximum of 20) will be in the Ponderosa Lodge at Mt. Springs Lodge—<http://www.mtsprings.com/grpines.html>. With many hiking and horse-back riding opportunities in the area, the lodge is equipped to handle private horses, if anyone would like to bring theirs along. Ranch horse availability will depend on the weather. If you'd like to inquire about stabling, please call 800-858-2776. **If you have any registration questions, please contact Mackenzie Martin at 206-719-6923.**

Our non-refundable registration fee is \$100. This fee is waived for new practice owners and new graduates still in their first year. Please make checks payable to Practice Share, LLC and mail with this registration form to Mackenzie Martin at 1800 Blankenship Rd. Suite 430 West Linn, OR 97068

What To Bring

- Towel, toiletries and swimsuit (for hot tub)
- A bottle of wine or your favorite beverage to share Friday night.
- Outdoors clothing/boots if you plan to participate in hiking or horse back riding (weather and horse availability dependent).
- Business cards
- Your favorite practice management or veterinary business book to share at our Resource Table

The Practice Share retreats not only provide an excellent opportunity to share troubles and solutions, gain valuable information from each other and from experts but offers the possibility to commiserate with other lady veterinarians - both practice owners and associates about the loves and difficulties of our profession. My favorite part of retreats is the amazing support you get from colleagues and how easily they turn into friends.
